Welcome, as a vendor, to the 26<sup>th</sup> Annual Louisiana Country Colorfest. Below is the check in information for vendor set up. Please read it carefully. All information is also posted on our website [www.louisianacolorfest.com](http://www.louisianacolorfest.com). If you have any questions that cannot wait until check in time please contact us via email at [louisianacolorfest@gmail.com](mailto:louisianacolorfest@gmail.com) or call the Louisiana Chamber of Commerce 888.642.3800

If you have requested electricity your cables must meet requirements and code. Since you are an indoor vendor your cords do not have to be outdoor rated but they must be safe and appropriate for what you are using them for. Please tell our Indoor Vendor chairperson that you requested electricity before you do any setting up! She will have your application information if there's any question.

The indoor vendor location is 521 Georgia Street. This is at the intersection of Georgia and 6<sup>th</sup> Streets on the North East corner. You may park along either side of 6<sup>th</sup> Street to await check in and to have your vehicle handy for transport of your goods.

**DO NOT PARK ON GEORGIA STREET!**

Check in begins October 15<sup>th</sup>, NO EARLIER THAN 6:00 p.m. at 521 Georgia Street. Please contact us if you cannot be there before 7:00 p.m. that evening. If you cannot make this time frame you must make prior arrangements with us. The Indoor vendor chairperson will coordinate time for opening each day with you at the location. Selling hours start at 10 a.m. each day but we realize you'll want to be in your booth space before then.

The indoor vendor location will be locked up both Friday and Saturday nights and the festival area has security as well as police patrols. Your merchandise will be safe.

According to our records, you do not have any rental fees outstanding.

We are looking forward to seeing you at the 26<sup>th</sup> Annual Louisiana Country Colorfest!
